## **Coming Soon Mega-Prompt Will Launch Letter Storm**

**Silver Spring, Maryland, June 19, 2014** – Mega-Prompt, a mobile app developer and publisher, announces the pending release of Letter Storm in early July. The initial release will be the iOS version with the Android version released shortly thereafter. Both versions will be available free of charge.

Letter Storm is an exciting word game from the creators of Mega Bee and Bunny Dash. In Letter Storm, you race against the clock to assemble words as letter tiles rain down onto the screen. Every level from one through forty-eight challenges you to complete a new task before you can move to the next one. This game is a true test of how quickly your mind functions under pressure. Play through new obstacles as you encounter tiles that freeze time or explode. Software Developer Zach Feinberg added, “I’m excited for people to get a chance to try Letter Storm. We’ve worked hard to make it a game that we think people will really love playing.”

Letter Storm features:

- Over 170,000 word dictionary
- Forty-eight challenging levels with more to come!
- A variety of fun objectives including:
  - Race against time
  - Clear the screen
  - Accumulate tons of points
- Three challenging modes to play in, and Easy mode for passing difficult levels
- Three upgradable types of power ups
- Online leaderboards so you can see how you compare

Mega-Prompt President, Rodney Wildermuth said, “We are excited about the release of Letter Storm. Everyone who has played it has found it challenging and engaging.”
